

YOUR PRODUCT SEARCH STARTS HERE!

Promote your business, products and services to a growing readership across the whole of the industry.

PROMOTE YOUR PRODUCTS

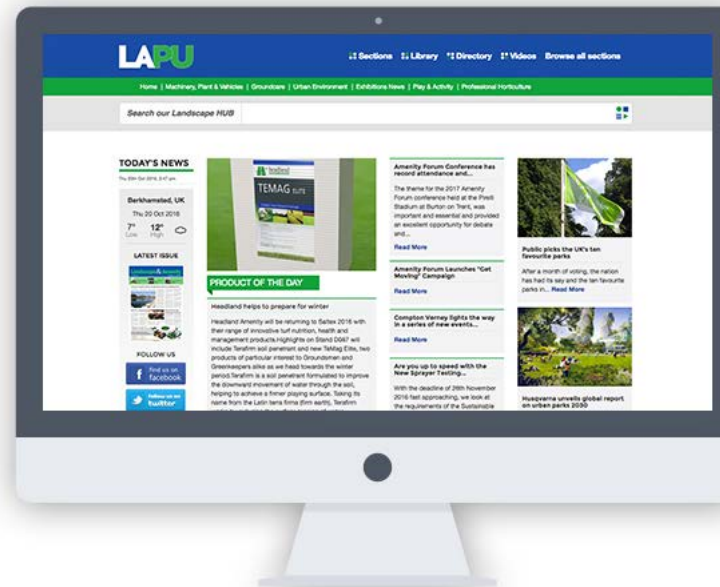

Landscape & Amenity Online is the latest development from TSP Media, building on the successful portfolio of print and online products.

Linked directly to the flagship title, Landscape & Amenity provides an essential hub for all of the daily news, product and construction content which passes through their editorial department on a daily basis.

Landscape & Amenity Online also incorporates our Product Library and Product Directory. We intend to add new industry innovations and a recruitment section for the industry.

Landscape & Amenity Online is interactive and fully responsive for mobile and tablet use. The Product of the Day platform enables manufacturers to announce new product launches in real time.

NEWS PACKAGE + DYNAMIC URL

Landscape & Amenity news and dynamic URL package brings a whole new concept to the way we manage your content.

The dynamic package links company, brand and product news content directly back to specific pages on your website. Uniquely we will also link up to three generic keyword terms relevant to your product. This will not only improve the SEO for that specific term on your website through Google, but also ensure these searchable terms will lead readers to your news piece on Landscape & Amenity online.

Company Information:

Whenever your company, its product or case study are included on Landscape & Amenity Online we automatically add your company information, contact details and social media links.

Social Media:

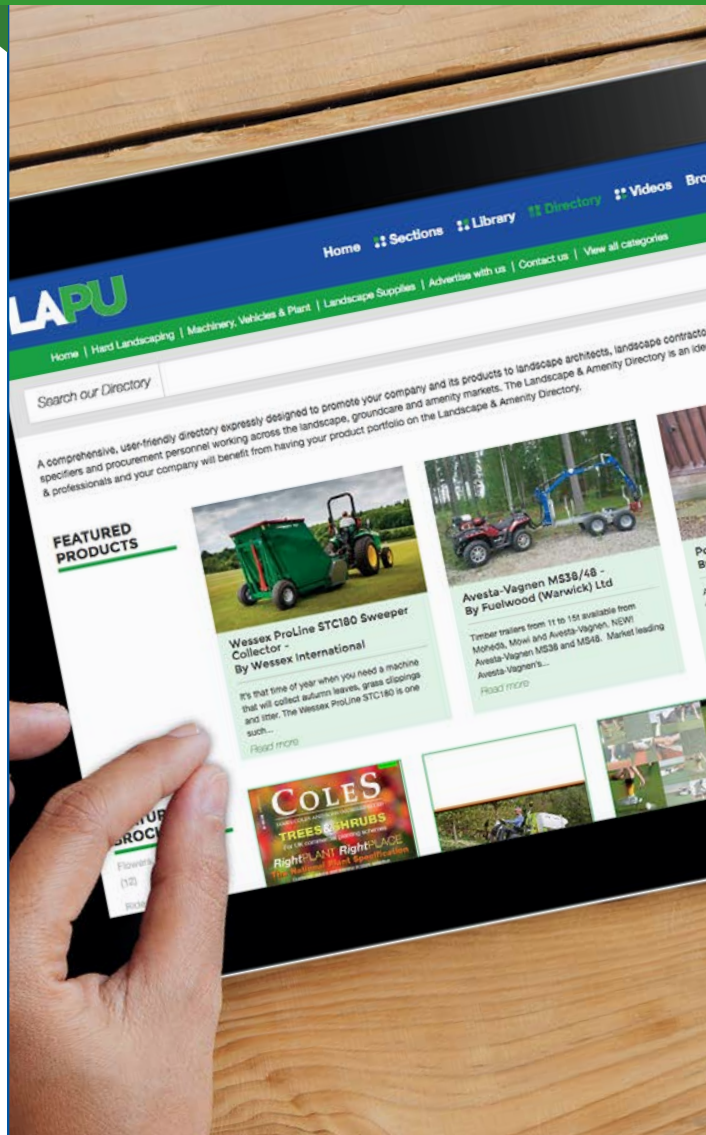

All news content is also posted out to our followers on social media with a link directly back to your editorial.

COSTS
